Padhar of India

PRAYERS

Pray that Jesus will break down the traditions and social pressures that make it difficult for the Padhar to follow Him.

Pray for the known believers to leave their idols and traditions of polytheism.

Pray that they will be anointed by the Spirit and withstand boldly the social pressures for being a follower of Jesus.

Pray that there will be disciples from within the Padhar who will go out and make more disciples from other villages and cities so that all the Padhar can have the opportunity to love and obey Jesus.

Pray for healing, education, people to leave vices, and for a true church planting movement to start among the Padhar people.
