PRAYERS

Pray for Rohingya Christians to be strong in their faith, even amid persecution from other refugees.

Pray for all Rohingya to have enough food to survive day to day.

Pray for safe shelter in Bangladesh so that Rohingya believers can help lead others to know Jesus and establish churches.

Pray for proper medical care and abundant medical resources to provide adequate care to those suffering from malnutrition, burns, wounds from their journey, and sicknesses.

Pray for Christians with a heart for displaced and persecuted people to boldly pray for the Rohingya.
