

*Our vision is to see Jesus worshiped by all the peoples of the earth.
Our mission is to make disciples and train leaders to ignite church planting movements among the neglected peoples of the earth.*

Advancing Prayer Until All Are Adopted

Dear Friends of All Nations,

To advance Jesus' kingdom, we want to see every people group on earth "adopted" by the body of Christ, just as each of us has been adopted into Christ's spiritual family. To advance, we must pray that those unknown, untouched, and unadopted by the beautiful Good News of Jesus become **permanently adopted**, not just temporarily fostered. Over the years, we have seen that persistent prayer mightily moves "unadopted" people groups to being irreversibly adopted by churches or mission organizations who are dedicated to praying for, reaching, and discipling that group for Jesus!

~~u~~nadopted

That is why our first and most foundational global priority in All Nations is **Prayer, Worship & Warfare**. Jesus did everything in alignment with what the Father was speaking. The Son sought His Father's will and truth in every step. Our greatest weapon and our very sustenance for taking the Gospel to the ends of the earth is prayer and intimacy with Jesus. Therefore, we want to make sure a healthy prayer culture is interwoven into everything we do.

Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart (Jeremiah 29:12-13).

The focus of our **Prayer, Worship & Warfare** priority is to *actively multiply global worship and prayer, and counter spiritual warfare so that All Nations fulfills its mission through the power of the Holy Spirit, reliance on Jesus, and pursuit of God's Glory.*

Ask me, and I will make the nations your inheritance, the ends of the earth your possession (Psalm 2:8).

Join us in praying for one of the people groups adopted by All Nations, the Deaf of Nepal (more details below). Let us pray until this group fills the heavens with the sounds of worship they have yet to hear in the natural and spiritual!

Till all have heard and worship the King,

Prayer For Those Who Have Never Heard

Another one of our global priorities, **Mobilize & Engage**, aims to cast vision and mobilize prayer and workers for specific unengaged and unreached people groups (UUPGs). These are groups He has highlighted for All Nations to focus on for a given period of time. They are chosen based on prayer, research, and opportunity.

One of the groups is the **Deaf of Nepal**. [Infographics](#), [prayer cards](#) and [bookmarks](#) have been developed for each of the UUPGs All Nations has adopted. Our hope is that people will learn more about, pray for, and mobilize others to go to these groups. Check out the short video below for a snapshot into the Deaf of Nepal and how you can specifically pray for this group.

Ignite - Pam Arlund

When I think about "igniting church planting movements," I always think of a corny old worship song. "*It only takes a spark to get a fire glowing...*" Sadly, I don't know if I've even ever sang the song or only heard others make fun of it! ([Check it out](#) if you want to get your brain infected too!)

But, seriously, "igniting" gives me hope. I often wonder what I can do as one person. **I sincerely believe two things that (I think) are both true but are opposites of each other:**

1. When I die, the world will go on just fine without me.
2. One person can make all the difference in any situation.

Igniting a church planting movement actually makes sense of both of those things.

Imagine a candle lighting ceremony at a typical church. I once had the amazing privilege of attending an Easter candle lighting mass at Westminster Abby. We stood outside the main part of the church in relative darkness. Then, one person brought in a candle. We each passed the flame forward. As we did, the light grew. **Together, we created an atmosphere like a sunlit afternoon.** We then walked into the main church building with an amazing choir singing "Hallelujahs" on both sides of our movement.

I had witnessed the igniting of a movement. If one of those candles had gone out, the movement would have continued. However, especially at the beginning stages, one person could make all the difference to the advancement or dying out of the light.

Interestingly, later on, my candle got snuffed out by a drafty old church building! I had to turn to the person next to me to re-ignite my light, a true symbol of carrying out the "one anothers" of Scripture.
