ALL NATIONS INTERNATIONAL

Multiplying the Gospel - Multiplying Resources

Hello Ruth,

Would you like to be part of the generation that partners with Jesus to see the Great Commission completed in their lifetime? Do you want to see every tribe, tongue, nation, and people worshipping Jesus? For this to happen we must launch church planting movements that rapidly multiply disciples and churches. However, with rapid multiplication also comes concerns of viability and sustainability. We do not want to create movements that are here today and gone tomorrow.

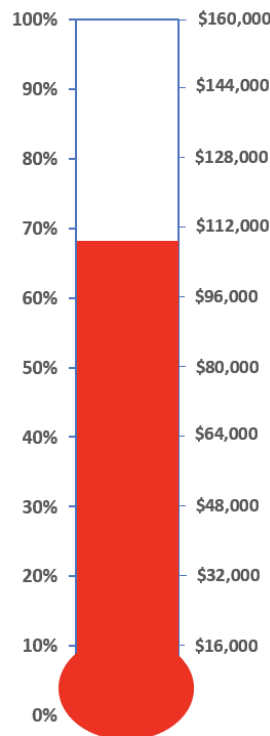

To allow for both rapid multiplication and sustainability, All Nations has begun an initiative to multiply training and sending hubs and create sustainability efforts to go alongside our church planting movements. This year we are going to plant hubs in Hamburg, Germany and Kampala, Uganda, while hiring a Director of Development and Director of Business Development (see bullet points below for more details).

We have begun the process to make these plans a reality. We have hired our Director of Development and have leadership teams forming for both hub locations. In addition, we have received a matching grant in the amount of \$160,000.00 that will provide for the first year of expenses for all these initiatives. **To date we have raised \$109,000.00 of the \$160,000.00.**

With your help we will be able to finish these tasks, and see viable, rapidly multiplying church planting movements launched throughout the world.

Would you prayerfully consider giving towards the remaining \$51,000.00 today? Any amount helps and will allow us to not only multiply disciples quickly but will ensure those movements are sustained and viable. There are two ways that you can give today:

1. [Click on this link](#) and write your amount in the All Nations International Project line and denote it for the "Matching Grant".
2. Make a check out to All Nations International, and send it to PO Box 55, Grandview, MO 64030. In the envelope include a note that says, "Matching Grant".

Grant Details

- **Hub in Hamburg, Germany:** In the world today, there are over 65 million refugees. These people are in some of the darkest times of their lives and need the hope of Jesus. We have been reaching out to refugees in Hamburg and have seen over 400 people get baptized. Now many of them want to take the hope they have received to refugees in other cities. **The hub in Hamburg will help fuel this movement to see 50 church planting movements launched in 50 key cities throughout Europe.**
- **Hub in Kampala, Uganda:** With 644 house churches in this thriving church planting movement, this is a perfect place to train and raise up church planting teams for Eastern Africa. Already, the team on the ground is working to raise up teams to reach refugees from South Sudan, the Nubians, and the Somalis. **The hub will help create a center of strength to make these movements sustainable.**
- **Director of Development:** The primary responsibility of the Director of Development is to ensure that All Nations has all the finances and resources that are needed, so we can make disciples and train up leaders to launch church planting movements among the neglected peoples of the earth.
- **Director of Business Development:** The Director of Business Development will help launch businesses alongside church planting movements around the world. These businesses will help provide for the needs of the church planting movements, as well as offer an avenue to make disciples that would otherwise be unavailable. In many closed countries of the world the only way into them is business.

Thank you for your partnership. Together we can see the Great Commission completed in our life time.

Blessings!
Matt Woods
