

*Our vision is to see Jesus worshiped by all the peoples of the earth.
Our mission is to make disciples and train leaders to ignite church planting movements among the neglected peoples of the earth.*

Until All Are Reached

Dear Friends of All Nations,

We are the closest we've ever been to finishing Jesus' last command to "...make disciples of all nations...(Matthew 28:19)". With only 1,600 (?) people groups left on this earth who've never heard the name of Jesus, finishing His last command is possible! All Nations' mission is to make disciples and train leaders to ignite church planting movements of the **neglected peoples** of the earth. In order to reach the remaining peoples of the earth, it requires the all of the body of Christ to mobilize prayer, people, resources, skills and talents to engage them, and you are part of this story.

This is why one of our global priorities, **Mobilize & Engage**, exists. The goal is to cast vision and mobilize prayer and workers for specific unengaged and unreached people groups (UUPGs). These are groups God has highlighted for All Nations to focus on for a given period of time. They are chosen based on prayer, research, and opportunity. You can view a short video about one of those groups below.

Our heart is to reach those people groups no one else is going to so that He can be glorified and worshiped for all He is - because He is worthy.

Till all have heard and worship the King,

Mary Ho

Prayer For Those Who Have Never Heard

One of the groups God has highlighted for All Nations to mobilize prayer and resources for is the **Nghari** of Tibet. This people group is in an environmentally harsh area, and accessing this area is almost impossible for foreigners.

Infographics, prayer cards and bookmarks have been developed for each of the unengaged and unreached people groups All Nations has adopted. Our hope is that people will learn more about, pray for, and mobilize others to go to these groups. Check out the short video below for a snapshot into the Nghari and how you can specifically pray for this group.

Neglected Peoples - Meditation on the Mission Part 5 - Pam Arlund

The world is a big place. Where do I begin to make disciples and train leaders to ignite church planting movements? Our mission statement makes it clear: among the neglected peoples.

I remember when I was in middle school having a conversation with the Lord. I thought, "What do I want to be when I grow up?" I remember thinking that maybe I would work for the Peace Corp or the Red Cross or something like that. Then, I remember hearing Jesus say, "Those groups only help people in this present life, which is short. You ought to help them both in this life and in the life to come, which is much longer. Only missionaries can do that."

I know that we have been given a clear command to care for the poor, the orphan, the widow and the alien. However, we have been given a command greater even than these: Love the Lord your God and love your neighbor as yourself. **Ultimately, rich and poor alike find peace and joy in the same way: through glorifying Jesus Christ.**

And so, for me, the neglected people are easy to find. It's not about an income level or a standard of living. I simply look to where the hope of Jesus is not being proclaimed.

In All Nations Family we simply look to see where there are no churches and no believers, and then we go there. Of course, we also care for the poor (which is actually hard to do well), but God forbid that we should ever care for the mortal soul and neglect the immortal one. The immortal soul has been neglected by too many for too long.
