REGISTER HERE for How To Win A City

City Transformation is a strategic priority of All Nations - to win cities for Jesus and see the world transformed. The global church does not seem to be winning the battle for the heart of our cities. If we were winning, our cities would look very different from what we see around us everyday. In obedience to the Great Commission, many are gathering together to learn from each other on 'how to win a city', hosted by Logos Christian Church.

Join disciple-making practitioners and others passionate about reaching cities to get fresh hope for the future of your city, new strategies on how to win your city for Jesus and network with like-minded teams in the global Body of Christ.
